The Playcraft Story

For over 30 years, Playcraft has maintained a razor like focus on delivering high quality recreational products for the home, commercial and institutional markets. Our pricing structure has continually ensured that we deliver exceptional value while never compromising on quality or design. From our humble beginnings as a pool table manufacturer, to our present incarnation as a full range game room supplier, we continue to focus first and foremost on meeting our customers' needs.

The Playcraft Mission

We maintain an unrelenting commitment to serve the recreation markets with affordable products that are manufactured with superior workmanship and result in outstanding values. We will always match the value proposition of our products with real time, responsive and world class customer service, while remembering that we are in the business of helping people to have fun!

This Catalog

Thank you for exploring the Playcraft summer 2014 catalog. Inside you will find full page representations of our current Playcraft and Playcraft Sport lines. All of our products are inventoried in the United States, with warehouse locations in Connecticut and Pennsylvania.

For additional information on the Playcraft and Playcraft Sport lines, such as shipping weights, packing styles, replacement parts and rules of play, please visit our website at www.playcraft.com. Please check with your Playcraft representative for pricing and inventory information pertaining to any specific item(s). If you are not currently working with a representative, please contact our customer service department at 1-877-438-1966 and we will be happy to assist you.

Thank you for looking and please do let us know if we can assist you in any way!
